

Hello!

Welcome to The Next Street! We are excited and happy to have you here. We are in the process of transitioning from O'Rourke's Driving School to The Next Street Driving School, and it will take a few months for the dust to settle and to finalize your records. Until then, know that we are committed to you and your success at becoming a new driver.

Driver's Education

As a current student you can finish your scheduled classroom and driving out of the [O'Rourke's Driving School](#) location. Classroom will be conducted via [Zoom](#) and driving will continue in person. Please refer to your [student portal](#) for a breakdown of your complete schedule.

After Hours License Testing Information

We will continue to test students out of the [O'Rourke's Driving School](#) location. This testing will be conducted as normal on Saturdays. Dates and availability will be added and we will inform you when they are available.

At The Next Street we strive to make it easy to get your license by providing outstanding service. We do this in the classroom, car, over the phone, and through your portal. Our Customer Happiness Team is available to answer any questions you may have during this transition.

Sincerely,
The Next Street
