Greetings to the students and parents of O'Rourke's Auto School,

My family and I took over the operation of O'Rourke's in January of 2021. In the time since then it has been our pleasure to serve the students of our community for their driver's education needs. I have greatly enjoyed working with and getting to know so many of you in the classroom, on drive time, and through our other interactions.

Despite the great joy that the O'Rourke's community has brought to my us, we have decided that it is the right time for our family to move on to new undertakings. We are excited for this next chapter in our lives but will greatly miss the work we have done with all of you.

Beginning today, The Next Street will assume ownership and operation of O'Rourke's Auto School. I have worked closely with The Next Street to ensure that the transition will be as seamless as possible. They are a great family-owned business that really knows the ins and outs of driving instruction. I am confident that they will serve the community well. I will be staying on board for some time to ensure that you are well taken care of.

I want to thank you for your business, for your commitment to safe driving, and for choosing O'Rourke's Auto School for your drivers' education needs.

Sincerely,

Rob Demers
